

Hello and welcome to our SEND section of the St Botolphs Website. We are your dedicated SEND team, we want to enable and encourage your child to progress and shine in their own amazing way; whilst developing relationships and offering support to you as well.

Miss Moody:

I have been part of the St Botolph's family since 2016 when I began my teacher training. Since then I have been part of the Meerkat Class in LKS2 and KS1 as well. Working with children has always been a passion of mine, I love getting to know each child individually and watching them grow as the school year progresses. I love working alongside Miss Jackson, to support and champion all of our children.

Miss Jackson:

Hello, I am currently in my seventh year here at St Botolphs and I have loved every second of it! I come from a Special Needs background holding a BA Hons in Special and Inclusive Education and have worked in a Specialist Provision for 5 years prior to joining St Botolphs. I am really enjoying this opportunity working with Miss Moody and cannot wait to meet you all.

Should you have any questions, queries or if you would like to speak to either of us please do not hesitate to get in touch, we are available on the email addresses below, via weduc or you can of course speak to us at school,

Thank you
