OVERWHELMINGLY POSITIVE WITH VERY SUPPORTIVE AND APPRECIATIVE ADDITIONAL COMMENTS:

- ✓ Thank you for taking my daughter on so late in the school year but making her feel like she's been there the whole time.
- ✓ I feel very lucky that St Botolph's is my catchment school as my children have faced various social and educational difficulties but still love school, and both try their best, which I feel is down to the teaching staff and the school policies (reward, discipline, charter, etc). Also very lucky to have such wonderful facilities in

the new building. I also really appreciate the opportunities parents and carers have been given to attend school for assemblies, shows, learning sessions and so on.

- ✓ Couldn't wish for a better school for my child to attend! They go above and beyond for all children and parents 😊
- ✓ This is such a wonderful school, my daughter has been offered many extra curricular activities here and is loving them. I always feel happy and safe leaving her in the more than capable hands of her amazing teachers. The support she has been given is second to none, I would always recommend this school to anyone.
- ✓ My child joined over half way through the school year, since being with you he has come back out of his shell. Laughs everyday again, smiles everyday again, he is so happy and is thriving. Thank you.
- ✓ Couldn't praise this school enough, my four daughters attended this school and they have always gone above and beyond, amazing head teacher.
- ✓ This school cares about the children. It looks after their welfare, not just their academic studies. I am so sorry that my son has to move schools to Iveshead as I don't want him to leave. I could not wish for a better school for my child. The school puts on social events such as fairs, discos and performances which are excellent experiences for the children.
- ✓ My child has thrived at St Botolph's. Thank you.
- ✓ My child is beyond happy at the school. His needs are met and I trust the school completely. The teachers' attention is rightly on the children and I do trust the school. My son's teachers this year have been fantastic. We are so grateful for all their hard effort and patience. They are lovely and make him feel so comfortable to be him but also focus on his learning/ education, the balance is great.
- ✓ My child is thriving academically at school but I also know that her well-being is looked after too and feel this is a definite strength of the school. She has had lots of opportunities this year and has loved taking part in things across the trust such as the faith leading and duathlon. We also have enjoyed all the extra after school clubs that have been on offer this year. Thanks for everyone's hard work, it's really appreciated.
- ✓ My child joined the school this academic year a week into the autumn term. He was made to feel welcome and valued immediately and the staff made an effort to get to know him. The school ethos is excellent and strongly maintained and it has been lovely as a parent to have the opportunity to come into school to see some of the things he has been working on. The opportunities for extra-curricular activities

are brilliant, especially in sport and music and that with things such as golden time and the way achievements are celebrated, the school really encourages the full development of the children. I think that the St Botolph's community has created a wonderful school in which children can learn and grow.

- ✓ My daughter has come on leaps and bounds since starting at the school in yr5. They have gone above and beyond supporting her both academically and with her confidence. The school regularly keeps us informed on our children's progress and of any other useful information. I highly recommend this school to others.
- ✓ Cannot praise the school and the staff enough for all that they do to support my children during their learning and development but also the support given to parents is above and beyond! A massive thank you!
- ✓ Exceptional school.
- ✓ St Botolph's is a great school, we're very happy with how our children have progressed both educationally and personally.

- ✓ St Botolph's is a beyond brilliant school!! My children have loved this school since attending reception, they have always enjoyed being at school and are always going in and coming out with smiles. Whenever there has been an enquiry needed, the reception staff are always more than happy to help. Mrs Pepper is an amazing headteacher and herself and the teaching staff throughout St Bots deserve recognition too!
- ✓ I would recommend St Botolph's Primary school to anyone and everyone! We have no faults at all.
- ✓ St Botolph's is a magical place for pupils to go to school! Superb facilities, caring and exceptionally hard working staff ensure that pupils make academic and personal progress. My daughter has loved every second of her 7 years. The opportunities she has had in lessons and in extra-curricular time are surely second to none. Also a special mention to the wonderful wraparound care provision.
